

BUT A SINGLE EVENT

Two Races at Rochester Meet Went Over Until Today.

SIX HEATS AND NO WINNER

Hawkins Captured the Only Finished Race—2:14 and 2:27 Classes Postponed on Account of Darkness.

Rochester, N. Y., Aug. 18.—But a single event was finished at the last day of the grand circuit meet here today, the 2:25 class trotting. The unfinished races are the 2:14 pacing and the 2:27 class. But two heats were run in the latter class, but in the 2:14 class six heats were decided without a winner, and the horses were brought out for the seventh heat when they had to be sent back to the barn, as it was too dark for the judges to tell the horses or drivers apart.

FOUR DRIVERS FINED.

Jockeying Characterized the Races of

Fort Wayne Meet.

Four thousand spectators witnessed the four races at the Fort Wayne driving park today, the most interesting being the free-for-all trot, won in three straight heats by Lord Clinton, performing in good time. In the fifth heat of the 2:15 pace the driver of Doctor J., the winner, was thrown at the half pole and the horse ran in, breaking the sulky. The incident was declared unavoidable. In the same race Charley P. and Nydis were fined \$20 each for crowding and in the free-for-all Heilo Archer and Alice were fined \$25 each for the same offense. John H. was distanced for foul driving.

A 3-year-old 2:20 trot was performed

and Georgia Lee, driven by Shea, won both heats; time, 2:18 and 2:19. Her only

opponent was Wilkes, Maid Atlantic.

General trotted against her a 2:30½ record and lowered it to 2:20. Bianco Louise also lowered her record. The weather and track were in prime condition and much money changed hands.

SCULLING AT LAKE GENEVA.

Large Attendance Witnessed the Serv-
eral Events Yesterday.

Lake Geneva, Wis., Aug. 18.—The day's sport at the Columbian regatta was marred by a misunderstanding between Commodore Clegg and Capt. J. H. Pratt, over the swimming race. The weather was fine and the attendance somewhat larger. The Iroquois had no trouble winning the junior race of the Chicago navy from the Catlins. The senior single international was Hadley's from the beginning, but it was nevertheless a spirited contest.

Clegg and Tamm of Dubuque were added to the starters in the senior pair internationals and proved the winners. At the turn the Iroquois and the Catlins took Dubuque's water and in the engagement the Catlins' boat sank. Dubuque quit soon afterwards.

The Delaware almost had a walkaway with the four-gang gig race.

The eight-oared match between the All-American and Fullmans was among the best events of the afternoon. Both were in good form. While the Fullmans did excellent work the University, though selected in a hurry, beat them by two lengths in 5:30½.

Commodore Clegg tonight gave his consent to the swimming match over again tomorrow.

DECISIONS WERE BANK.
